

## The Penny Post

Let's hear it for the Penny Post!  
Three cheers! Hurrah! Hurrah! Hurrah!  
No other country in the world can boast  
A penny to send however far,  
Deliveries made from coast to coast,  
With letters pushed right through your door,  
Let's hear it for the Penny Post!

Write a letter to Cousin May  
Tell her all the news from home  
And though she lives so far away  
It's good to know she'll get it soon!

Write a letter to Uncle John  
Just one penny is all we pay  
To buy a stamp and stick it on  
To show it's paid for all the way!

Write a letter to brother Ted,  
Take it down the street to where  
The pillar box stands tall and red  
And ready to receive its ware.

Write a letter to one and all  
Trains will take them nationwide  
Where postmen post them through the doors  
For May and Ted and John inside.
