

Voyage to Crete

(farewell) Farewell *(farewell)* Farewell
Farewell to all we leave behind.

(instrumental)

(instrumental line)
The wind is blowing in the sails
It takes us far away from home.
(instrumental line)

(instrumental, calms down to slow pace)

The fierce sun is blazing down
(instruments) is blazing down

(instrumental, builds up and then calms down like the start)

Farewell *(farewell)* *(farewell)* Farewell

(instrumental)

Black sail flapping in the wind
(instrumental line)
We race towards our destiny
(instrumental line)

(instrumental, builds up and then calms down like the start)

Farewell, Farewell.
