

Escape to Naxos

... *(farewell)* Away *(farewell)*
The world of Crete we leave behind.
(instrumental)

(instrumental line)
We conquered Athens' greatest fear!
(instrumental line)
And now we sail with joyful hearts!

Away *(farewell)* Away *(farewell)*
The world of Crete we leave behind.
(instrumental)

(instrumental line)
We conquered Athens' greatest fear!
(instrumental line)
And now we sail with joyful hearts!

Naxos Isle will now provide
Shelter for us, a chance to rest
And to-night we will sing
We will dance and celebrate
For this night of all nights will be blest.
