

Victorian Child

What is the life of a Victorian Child?
Born in a city slum
Or born in a manor house
How does the world seem to you?

What is the life of a Victorian Child?
Born to a labourer
Or born to a gentleman
How does the world seem to you?

What is the life of a Victorian Child?
Born t work hard all day
Or born to have power and rule
How does the world seem to you?
How does the world seem to you?

What is the life of a Victorian Child?
Born to die far too young
Or born to a longer life
How does the world seem to you?
How does the world seem to you?

How does the world seem to you?
How does the world seem to you?
How does the world seem to you?
How does the world seem?
How does the world seem to you?
